

WHY MALIBU?

BUILT IN AUSTRALIA

EXPERIENCE THE MOST INNOVATIVE & VERSATILE WATERSPORTS BOATS IN THE WORLD:

COMMAND CENTER

With the industry's first and largest dash display, Malibu's all-new 12" touchscreen and optional Sport Dash joins the existing 7" touchscreen, giving the driver deep data in an easy-to-navigate interface.

INTEGRATED SURF PLATFORM:

HULL DESIGN

Malibu's unparalleled engineering produces the best-handling and most versatile wake-and-wave maximizing hulls in the industry.

POWER WEDGE II

The Power Wedge II is bigger and more versatile than ever before and includes a new lift feature, allowing the driver to get a fully loaded boat on plane much faster.

SURF GATE

Total wake control is at your fingertips with Malibu's revolutionary Surf Gate, the first wave-maker to appear on the market.

TRAILERING ADVANTAGES:

- > Compliant width - no towing permit required for response series, VTX, VLX and Axis A20.
- > ADR compliant trailer (Easytow Galvanised Tandem) included in the price of every Malibu & AXIS boat.
- > Standard with "DEXTER" electric over hydraulic 4 wheel disc brakes. (Boat/trailer combinations with a GVM greater than 2000kg only)

HIGHER QUALITY AT A LOWER COST:

- > Malibu Boats are proudly handcrafted by Australians for Australians in Albury NSW. For this reason you are protected from fluctuating currencies, overseas shipping and non-value adding items which can total up to \$35,000 extra.
- > With efficient in-house manufacturing, Malibu is able to maintain high quality standards and pass the savings on to the consumer.
- > Our competitor's higher price does not reflect higher quality or additional value.

FULL ACCESS TO THE AUSTRALIAN MALIBU/AXIS DEALER NETWORK:

- > Factory trained certified technicians
- > Genuine Malibu spare parts and accessories
- > Technical advice from factory trained dealers or factory direct if required
- > Warranty coverage Australia wide

IT IS THESE REASONS OUR SUPERIOR VALUE IN AUSTRALIA HAS REACHED MALIBU OWNERS SINCE 1995
